Gobustan State Historical and Cultural Reserve is located west of the settlement of Gobustan, about 40 miles (64 km) southwest of the center of Baku. it is very rich in archeological monuments. Day-3

Gabala and Tufandag Mountain Tour:

After having breakfast at the hotel you will be taken to Gabala .Your day will start with visiting “**Nohurgol**” Lake which is surrounded by a forest.The lake is unusual, beautiful, surrounded by mountains, wooded hills and thickets of reeds, and resembles a mirror into which the wooded slopes look. Beautiful quiet nature, clear water surface surrounded by high mountains - all this inspires peace and a sense of complete delight. Here you can relax, and enjoy the view. Then, you will take a tour to **Tufandag** which is the longest teleferic of the world – whether for skiing, or just for memorable summer views of the Alpine scenery behind Gabala. As the tour progresses, you will reach the final phase amidst the mountains of the Greater Caucasus, where there are trees with tightly intertwined crowns, forming constant shade and coolness, and the waterfall, originating high in the mountains, cascading down. All this is simply amazing. Its name - ""Seven Beauties"" - the waterfall was given for a reason: it consists of seven cascades of different heights.

Day-4

After breakfast at the hotel the tour starts with visiting to baku boulevard. The park stretches along a south-facing bay on the Caspian Sea. It traditionally starts at Freedom Square continuing west to the **Old City** and beyond. Since 2012, the Yeni Bulvar (new boulevard) has virtually doubled the length to 3.75 km, extending the promenades to National Flag Square.

Our tour program continues with Old City or Inner City is the historical core of Baku, the capital of Azerbaijan. The Old City is the most ancient part of Baku, which is surrounded by walls were well protected. In 2007, the Old City had a population of about 3000 people. In December 2000, the Old City of Baku, including the Palace of the **Shirvanshahs** and **Maiden Tower**, became the first location in Azerbaijan to be classified as a World Heritage Site by UNESCO (walking tour no entry).

Later group will experience the happening street of Nizami Street known for shopping. The street's history could be traced back to Baku's town-planning project of 1864. The street runs through the city's downtown from west to east. It begins from Abdulla Shaig Street, in mountainous part of the city and ends at railroad bed on Sabit Orujov Street, near a monument to Shah Ismail Khatai in “Black City”.

Day-5

Then Fire Mountain will be the next destiny. It is a natural gas fire that blazes continuously on a hillside on the **Absheron Peninsula** on the Caspian Sea near Baku, the capital of Azerbaijan (a country which itself is known as """"the Land of Fire""""). Flames jet into the air 3 meters (9.8 ft) from a thin, porous sandstone layer.

The last Destination will be Heydar Aliyev Center . This unique building was designed by Iraqi-British architect Zaha Hadid and noted for its distinctive architecture and flowing, curved style that eschews sharp angles.

Day-6

Visiting foreign country will not be filled until shopping is done. Taking some souvenirs, clothes and other things are the things remind of the country we visit. To correspond these, we will take you bazaars, malls, local market for your shopping. Main areas will be covered in this tour are **Deniz Mall, 28 May Mall, Genclik Mall**. If you have some other tour (for example absheron or panoramic) alongside this day you need to choose *one* of those Malls to visit.
